

# PERFIS DE ALUMÍNIO

Aplicação de  
Ripados

Olá, Somos a Vitral Sul.

Empresa que trabalha com a distribuição de perfis de alumínio e ferragens para esquadrias e vidros temperados.

Nossos alumínios são pintados com a tecnologia de pintura eletrostática a pó, em nossa própria indústria, com equipamentos de ponta e um rigoroso sistema de controle de qualidade.

Entregamos nossos produtos diariamente em praticamente todas as cidades do Paraná, Santa Catarina e Rio Grande Do Sul.

Entre vidraçarias, metalúrgicas, indústrias moveleiras, construção civil, já são mais de 4.000 clientes, que contam com nosso atendimento de primeira classe a nossa entrega confiável.

Acompanhando as principais tendências do mercado, contamos com a parceira dos melhores fabricantes do setor, sempre buscando atender cada vez melhor os nossos clientes.

Para que isso aconteça, temos um estoque totalmente informatizado e atualizado, possibilitando que nossa frota consiga atender cada vez melhor os nossos clientes.

Com uma dinâmica de trabalho bem elaborada e uma equipe de profissionais altamente capacitados trazemos conosco uma bagagem de mais de 25 anos de experiência.
